

## Strategic Plan 2023-2026

### About AAPG

The Alberta Association of Police Governance (AAPG) was incorporated under Alberta's *Societies Act* on February 4, 2003 to provide police commissions and policing committees in Alberta a forum for discussion, collaboration, and education regarding police governance and policing issues.

AAPG continues to grow its membership. In 2008, AAPG had 12 members, yet has seen consistent growth each year to today's membership level of 32 police commissions, policing committees and associate members.

### AAPG's Vision

A proactively collaborative network of effective police governance and oversight organizations across Alberta.

### AAPG's Mission

To empower members through educational services, resources, and unified provincial advocacy.

### AAPG Tagline

Excellence in Police Governance and Oversight

### AAPG's Values

- Accountability
- Collaboration
- Inclusivity
- Ethical Conduct
- Respect
- Trust

## AAPG's Strategic Objectives & Key Performance Measures (KPIs)

Priority	Strategic Objective	KPI	Comments, Contingencies
1	Creation of a new, robust communications system that articulates our value proposition, and increases membership numbers and engagement	Communications components, & membership #s and feedback	Calgary & Edmonton Comms staff assistance?  Phase if necessary
2	Create an AAPG police governance certification program, complete with curricula and reference resources	Training products & services	Collaborate/Leverage SOLGEN, CAPG  Phase if necessary
3	New legislation(s) enables effective local police governance through clarity of role, mandatory police governance training, appropriate resourcing, and a governance performance evaluation system	Legislative articles related to police governance	Publish advocacy positions  Phase if necessary
